February 16, 2022

Dear Air Quality Customer,

Our entire All Comfort Services' team welcomes you! As you may know, Alan and Karyn Lord are retiring from Air Quality Systems on February 25, 2022. Larry Davies, owner of All Comfort Services, has been 50 percent owner of Air Quality since the beginning and has worked out an agreement to support and service Air Quality's customers. We will be honoring Air Quality's active labor warranties and will facilitate any manufacturer equipment warranties on installation of new heating and cooling equipment.

I'm happy to inform you that 50 percent of the Air Quality's technicians will be part of our team and both our teams will help to make your experience seamless.

The benefits of being an All Comfort Services customer include:

- **One call does it all:** electrical, plumbing, heating, cooling, and indoor air quality (see coupons below).
- **Maintenance Program:** We offer a Comfort Club Maintenance Program that covers heating, cooling, electrical, and plumbing safety inspections, and maintenance.
- **100% customer satisfaction guarantee.**
- **A fully bonded and insured team.**
- **30-day no dispatch guarantee** on a tune-up.
- **Career Technicians:** All Comfort Services' technicians go through continuous education and average over 20 years of experience.

We are delighted to serve your repair, maintenance, and replacement needs. We recommend scheduling early to avoid supply chain issues and to encourage this early service, see the Air Quality Customer Offers below! These offers expire April 1, 2022. For additional offers and information, please visit our website at www.allcomfortservices.com.

Call us at 608-838-7300 or email us at info@allcomfortservices.com, if you have any questions or want to schedule repair or service for heating, cooling, indoor air quality, electrical, or plumbing.

Sincerely,

Larry Davies, Owner

Kendall Richards, President
