Comfort Club Membership Under \$1 Per Day

Enjoy peace of mind and comfort in your home while protecting yourself from unexpected repairs and emergencies. Benefits of the Comfort Club Membership:

- **Annual Preventive Maintenance** — We perform full tune-ups on your heating and cooling systems every year to ensure they are running at optimal levels, and to spot small problems before they become big.
- **Electrical and Plumbing Safety Inspection** — We take a look at your electrical panel, water heater, water softener, and sump pump to ensure everything is safe and operating properly. This inspection is performed every two years.
- **Discounts** — Comfort Club members receive up to 10% on repairs or service.
- **Priority Service** — If there is a waiting list for dispatching technicians to emergency calls, we prioritize our Comfort Club members.
- **No Dispatch Fee** — We waive all dispatch fees. (Other fees may apply.)
