## GET THE EQUIPMENT FINANCING ADVANTAGE

- **Preserve and Control Your Cash** - Financing provides capital to support your equipment procurement objectives, leaving cash for more vital operating needs.
- **It's More Convenient** - Fast credit decisions, less paperwork, and simple documentation make financing a snap.
- **Tax Benefits** - Depending on the structure of your business and tax position, Section 179 enables most companies to write off 100% of their HVAC and capital equipment purchases.
- **Makes Budgeting Easier** - Unlike many other types of financing, equipment financing locks in your rate and payment amount for the life of the loan.
